Preface..... A small endeavour to write 🖋️ about  
Guruji's vadiyaaai...

Mere daata di sifataan naa likhi jaavein..Je  
Samundra di bhaave Siyaahi hovei ..Te Kaagaz  
de utte naa likhaai hovei..( Guruji's Praise can't  
be written..even if we have ink as much as  
ocean..then also we can't write His praise on  
paper )..hence a small endeavour to write about  
His blessings so that it can reach to every Sangat  
🙏

Jai Guruji pyaari Sangat ko 🙏🌟

This book has been written with the intent that  
Sangat might benefit a lot..some might get  
influenced a bit or so and ..to spread more and  
more Positivity ofcourse since Satsangs are  
Guruji's blessings...May Guruji bless everyone 🙏

Guruji 🙏 I owe You everything..My whole  
life..My breath.... 🙏🌟 so a small sewa of giving  
Tribute to Our Beloved Guruji 🌻 🌸

Guruji has guided me in writing each and every word , even in choosing the appropriate Swaroop .in such a manner that i used to get amazed How Beautifully Guruji does everything....there has been a satsang each and every day.. when i used to write this book... I have felt that I am nobody to write about Him..its entirely His grace...This book is Guruji's book and For His Sangat 🌸🌸🌸

मेरा मुझ में कुछ नहीं जो कुछ है सो तेरा 🙏

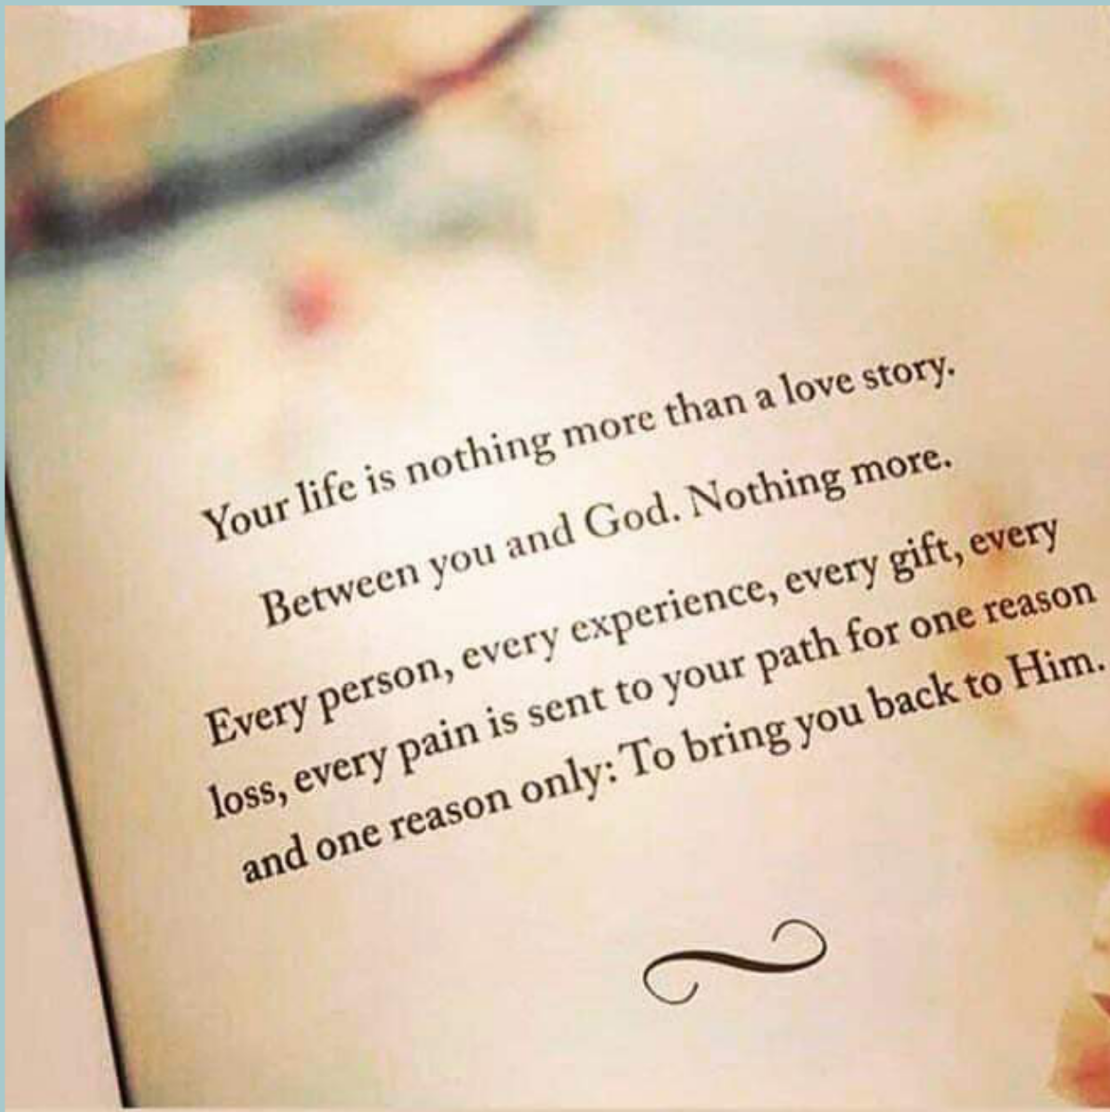

Tumre Bhavan mein Jyot Jaage.. 🙏  
Shankar dhyaan lagaaye Guruji ke Dwaare  
Teri Jai Jai kaar..O Mere Guruji... 🙏

This book was decided by Guruji that it will be released on Mahashivratri 2021..and so due to His grace..it is released on this special day..Mahashivratri...Shukrana Maharaj 🙏

**Be thankful to everyone**

**Be thankful to everyone even to those who have hurt you because what hurts is what blesses us..It makes us stronger..**

**Guruji's words "Dukh zaroori hunda hain..dukh vich Insaan di asli spiritual progress hondi hain "**

Forever Grateful to my parents 🦋  
(Ajay Sidana..Asha Sidana..)

On 1st May 2017..I went to Sai Baba mandir....and when i came back..the first thing my mother said to me " samne Guruji ka Satsang ho rhah hain ..tu bhi chal "..and my parents went to Guruji's Satsang but I didn't go..(I said to my mother..Main nahi maanti kisi bhi Guru ko aur aaj Guru Maharaj mujhse book likhwa rae hain...Shukrana Maalik 🙏).and Guruji pulled me towards Himself through my parents ....(How ? written below )...Sai Baba made me meet My Beloved Guruji....

Mil Mere Preetama...Tudh Bin khadi Nimani..❤️

## Chalte chalte Yuhi koi mil gya tha

My first meeting with the Almighty!!!!

It was 30 May 2017..when my sister asked me ..whether I would accompany her to Guruji's Satsang..I said..okay ..since she was going alone..I thought to accompany her..Little did I know ..My Mahashiv was re writing 🙌 my destiny...Shukrana Guruji Maharaj for calling me into Your divine Shelter...

When i went to the satsang..It was Yellow colored 🧡 Chola of Guruji..which i saw..He was smiling (shown below)...I was also wearing a yellow colored kurta that day..(these are my feelings /emotions..attached with Guruji and created by Guruji Himself since I have specific Satsangs relating to these feelings ).. I sat with eyes closed..Amazing experience!!!! That very first day....one sewadaar..called me "aunty " and I was like why is she calling me aunty...and..itne mein the coordinator on mike.. said.. "yahan par sabko aunty /uncle kheh kar bulaya jaata hain

"..little funny experience..but see..How Guruji was connecting me to Himself...the query was on my mind..and How it was answered ..then the coordinator said."..since tomorrow is Mahasamadhi..it was 31 may'17 (the next day)...toh Sab Guruji ko 7 bje bhog lagayenge..mantra Jaap karke.." and I was thinking..i don't even have Guruji's photo/ swaroop...and..I got Guruji's locket parshaad..Jai Guruji..I didn't ask for it..Guruji knows everything!!!!

It is Guruji's Mahima that I never tested Guruji.....maine Guruji ko bhog lagaya...mantra jaap karke...on 31st may..

Now..i wonder..thati just got dyed in His color of love..without questioning myself..or Him..about anything...

Barambaar Shukrana Guruji Maharaj 🦋🦋

**Main Jaan ye vaar doon

Haan Hasi ban gye..Tum  
hasi ban gye..** ✨

**Guruji was making Divine Roti (Chapati ) ..lucky me !!!**

In November 2018 , it was last Tuesday of the Month..when i got this dream that Guruji in White Chola is making Roti for me..using that chimta(Tong )..and He is continuously asking me to come forward vo bhi **.ishaare se He was saying..**" agge aa " ..now when I woke up I didn't understand the dream..

Then i went to the satsang the same day..i sat in front..i understood immediately why Guruji was asking me to come forward..then I said to Guruji telepathically "Guruji.,Roti kaa samaj nahi aaya..ki kyu dikhaaya aapne dream.."...now the coordinator..Sunny uncle ...the very moment he came forward and was about to start sharing satsang on the Mike..it came to my mind at that very time "sunny Uncle khehte hain ke Langar ki Roti Guruji khud banate hain"..so I thought "chalo aaj toh main langar ki roti check karungi jo mere paas aayegi " ..now when my langar

parshaad came in front of me  
I checked My Roti Parshaad...Lo and behold..vo  
Roti bilkul utni hi jali( जली) hui thi ..jitni zara si jali  
hui mere sapne mein thi.(and little burnt Roti  
was the sign so that I could recognize His  
parshaad)...Guruji made Roti for me..am I that  
fortunate..Shukrana Guruji 🌸

And Guruji was asking me telepathically "kivein  
bani hain Roti" (kaisi bani hain Roti )..I replied to  
Him..(honestly that was the conversation  
between me and Guruji..)"Guruji..Meri kyaa  
Aukaat ki main aapki banai hui Rotiyon  
(Chapatis ) ki tareef bhi kar saku.."..i swear ...My  
stomach was automatically filled with  
happiness...

**Guruji...Isharon Isharon mein dil lene  
vaale..Bta ye hunar Tune seekha khah  
se..** ✨ ✨

Main tera dhyaan lagavaan 🙏  
Gun bus Tere gaavan 🙏  
Aukhe saukhe waqt ich tuhii paunda rhah hain  
Guru 🙏  
Teri marzi de naal mere chalde saah

### **Sahib Mera Eko hai**

One night I was listening to a satsang of Puneet Khurana Uncle who's a famous singer and has sung "shukar Karaan Main Guruji ..Twadaa Shukar karaan " and he said Guruji had asked him telepathically to sing "shukar Karaan " and he said " phle kiske liye gaau...aapke (Guruji ke ) liye yaa Sai baba k liye ...toh Guruji said ..." asi dono ek hi taan haige Haan " ( we both are one )

Next day.. In my **dream** ..my father was watching Sai baba serial in his room and I was watching some of Sai baba's video in the dream and some Aarti was going on and Guruji came in red chola (shown below) entered DwarkaMaai ( it's a place

of Sai baba in Shirdi where He used to sit mostly ) and blessed DwarkaaMaai by standing there and He (Guruji) was about to go to the other places in order to bless ....like In Shirdi we have many places..lendibagh.....and there were Swaroops of Guruji in dwarkaaMaai.....🙏

What I was listening to ..last night ...Guruji showed me in dream ...

Awwal Allah नूर upaaya ,कुदरत के sab बन्दे...ek नूर se sab जग upjeya, कौन भले कौन मंदे 🙏🙏

Shukrana Guruji for This wonderful dream 🙏🌟

Dhan Dhan Guruji 🙏

Waah Waah Guruji 🙏

Shukrana Guruji 🙏🙏

Jai Jai Guruji 🙏🙏🙏

Guruji came in DwarkaMaai exactly in this way  
in my dream..Dhan Dhan Guruji 🦋🦋

There is a beautiful Shabad..

"Sahib Mera eko hai..eko hai..bhai eko hai"  
(My Lord and Master is Only One..there is The  
One, oh my brother..there is Only One )..🍂🍂

Jai Guruji ❤️ Shukrana Guruji ❤️ These words are indeed so pious that I always find peace while writing 🙌 them !!!

Guruji changed my “hathan diya lakeeran “

It was January 2019 when my friends wedding was supposed to happen in Jaipur and I asked my daddy whether I could go ...he refused simply to my surprise ..and I thought it was Guruji's wish ofcourse ...some mishappening He might be preventing to happen ....and the same day Guruji came in my dream ...He was in white chola... ..and I was telling Him about me and my daddy's conversation and He kept on extremely laughing.....then in March end I attended that friend's wedding in my dream and way back from Jaipur ...me and Guruji were sitting in a vehicle (Mini bus....can u believe..i used to go mostly by that Mini bus to Bade Mandir in those days when this dream came..Guruji knows everything ) and He was again in white chola and I was talking to Him something...and He said all of a sudden “ te apna haath te vikha mainu

" (show me ur hand )....I showed Him and He after looking at my left hand ki lakeerein....said ek jagah kaa naam lekar Jo ki "A" se thi..which is near jaipur " te aithe tera accident hona c...te main tainu kuch hone nii dena c " ( ur accident was supposed to happen here and Maine tereko kuch hone nahi dena thaa ) .....such is our Guruji ❤️ I don't have words to show You gratitude ..My Dear Guruji 🌹

This Satsang clearly describes..Jo Guruji ne diya uska Bhi Shukrana..Jo nahi diya Uskaa aur zyaada Shukrana kyuki jo nahi diya vo humare bhale k liye nahi tha..🙏🦋🌹

**Guruji !!! Lamha Lamha hai mujhpar Teri ata (blessings)..doston aur maangu main Maula se kya !!!!**

Is karam ka karu shukar kaise ada..Jo karam mujhpe Mere nabi (Guruji ) ne kiya.....

# Guruji's then upcoming bday satsang 2019

Jai Guruji 🙏

On 29 June 2019...I got a dream that the calendar of Guruji which I have (shown in this picture along with the exact Swaroop which came in my dream)...

Besides that calendar ....there is a black pocket size scrapbook piece ....basically a black sheet ...laying vertically and it is beautifully decorated with sparkles on which it is written 7th July .Jai Guruji 🙏 and another scene was I was going in car with my family and where I was heading to.. I could see Bade Mandir Shivling literally moving in the sky ..ofcourse Guruji knew how eagerly we were waiting for His bday ..so Guruji knows everything and how beautifully He gives us His stamp of Approval 🌸

Anantam shukrana Guruji Maharaj 🙏

## Guruji's then upcoming bday satsang 2020

Few days before 7th July.. I got a dream ...that it's 7th July(our Guruji's bday) and our domestic helper has come back and she asked me something to which I replied to her that I am really excited for Guruji's bday..and I was logging into the laptop for live satsang in my dream And corona has ended..

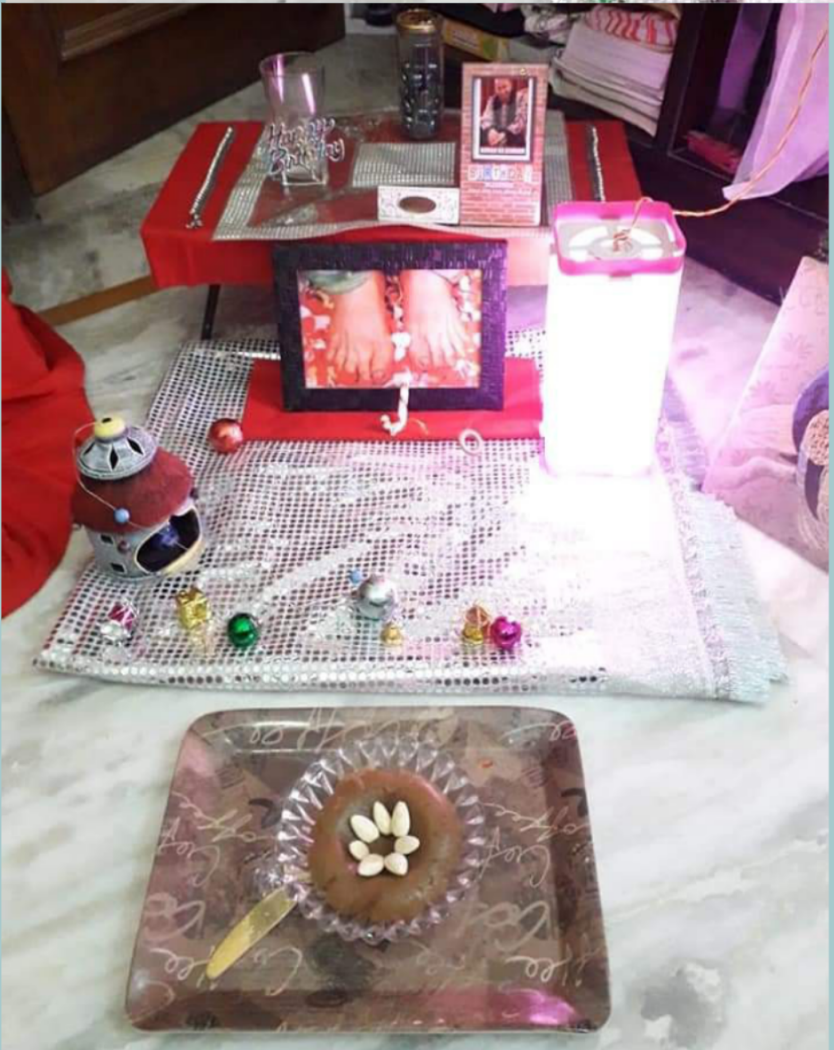

Now Guruji blessed us with what..that only Guruji knows..I think He gave us the surety that corona will be ended soon...

🌻Anantam shukrana Guruji 🌻

Mere Guruji Paalanhaar..ang sang rhehnde ne..jadd sajda hai Darbaar ang sang rhehnde ne...

Below are the pictures of .....

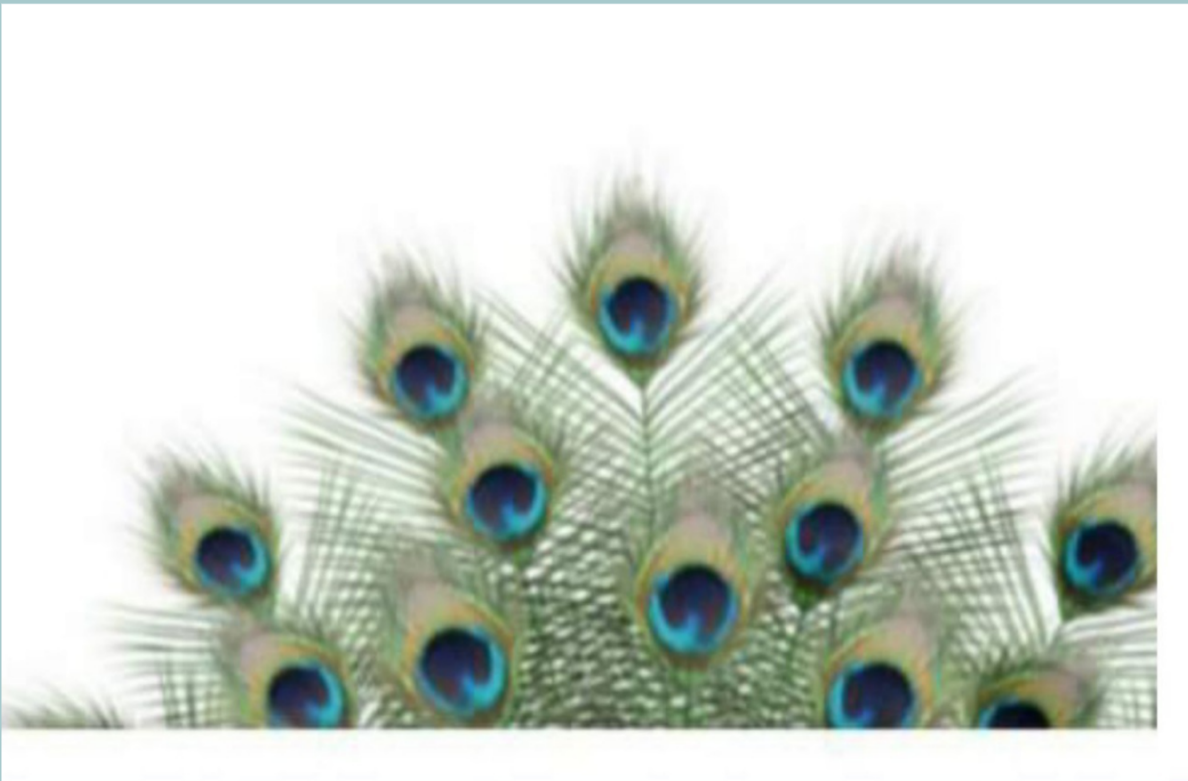

Guruji's bday satsang 2020 at our Home 🙏🌈

# Kaun khehte hain Bhagwaan nachte nahi

It was a beautiful dream in which i was singing bhajans in front of Guruji and Guruji was literally dancing listening to those bhajans..when i woke up..i literally said " Kaun khehte hain Bhagwaan nachte nahi "

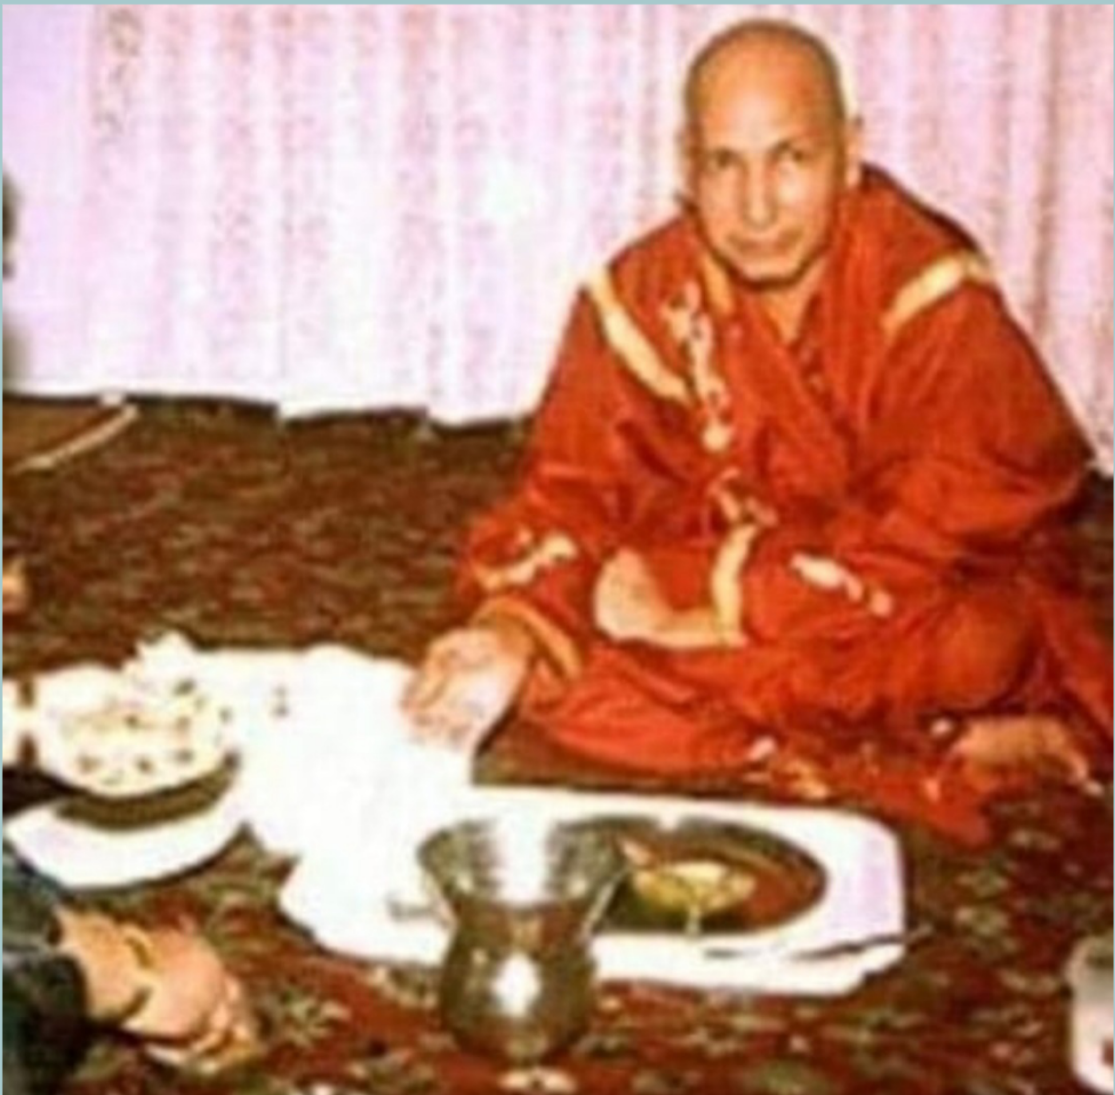

Shukrana Guruji for this beautiful dream..it is treasured in my heart... 🙏 🦚

**Kaun khehte hain Bhagwaan khaate nahi**

My elder sister had this dream that I am offering bhog (Golgappe) to Guruji at my another sister's house..so when the satsang happened at my another sister's home..I offered Golgappe to my Beloved Guruji ....

Shukrana Guruji 🍌

**Kaun khehte hain Bhagwaan aate nahi..tum  
Meera ke jaise bulate nahi...**

It was 19 January 2019.... i was singing "chalte chalte Yuhi koi mil gya tha ".. i wrote this song to my friend..Mallika..and captioned.."dedicated to my Guruji " to which she replied "kyaa hogyaa Meera "....can you all believe Sangatji..on 22 January..Guruji came to my house..(how is yet another satsang written below)...then on 28 Jan i attended a satsang (this satsang was at the same time ...same place where Guruji blessed Gurgaon Sangat in His physical form) at Huda Gymkhana club..where there was live singing by Siddharth Mohan...and..the first line..which he sang..was "Kaun khehte hain Bhagwaan aate nahi ..tum Meera ke jaise bulate nahi " ...I mean I was literally in awe..like how all the things have been linked beautifully by Guru Maharaj...

This Satsang has my emotions /feelings..i am not even His charano di dhool..

## How Guruji came to my Home..His Home...(He came on His own ...)

In oct 2018...Guruji showed me a dream in which i was in bus with other Sangat..and Guruji in His white chola entered the bus..in such a way that His head was on top of the bus and His body was inside the bus..literally...and when He entered..I started dancing "o Guruji..aagye..o Guruji aagye.." and the sangat beside me was also little dancing..and Guruji looking at me ..also started dancing...and His chola was now yellow and pink..and He was outside the window of the bus..with His hand on His chin..

Guruji bus ki window ke bahar literally khade hue the..He got stick to that window..outwardly .How can anyone do that..only Rabb...

Now when the satsang happened on 22 Jan 2019..there was same pink yellow chola in the darbaar...which Guruji was wearing in my dream..

(Now this chola is different in the sense that

there is no swaroop of Guruji in this pink yellow colored chola) ...

I got very happy..now what happened..the coordinator handed over Guruji's Gaddi swaroop to me and said .." ye gaddi swaroop ghar le jao" ...I being stupid..( no it was all Guruji's plan )..Main ghar lekar aagyi..Guruji ko..Jai Guruji..now Guruji stayed with us for literally one hour..and..then one aunty came..aur main samaj gyi..k mere se galti hogyi hain..aur Guruji ka Gaddi swaroop toh sunny uncle (coordinator) ke ghar lekar jaana tha..and i was saying sorry to that aunty..and she said.."no..ye toh Guruji ne aapke ghar phera daalne aana hoyega " ...

When i apologized to the coordinator..he said.." aunty..ye toh Guruji ne aapke ghar phera daalne aana hoyega ..Shiv ki leela Shiv hi jaane..agam Agochara Tera अंत ना पाया.." ..and every body in their house..was like..Guruji simran aunty ke yahan phera daalne gye hue hai..this Satsang has got my heart..Shukrana Guruji..

When i was about to enter..in my House.. Guruji ko lekar..i wanted somebody to welcome Guruji because nobody knew that He is coming.. and just then my father came..and welcomed..our Guruji...every thing was so co ordinated...the bhajan which was playing when Guruji's swaroop was handed over to me..same bhajan was being played in my house when Guruji was entering...and I was literally dancing...

Guruji was dancing in pink yellow chola in my dream..and when the same colored chola was at the satsang..Guruji came to my Home.(Guruji Mere ghar nachte nachte aagye)and blessed our Home..i mean..see How Guruji connects the dots...this Satsang is little long..but..i couldn't skip /miss anything...there are still lot more things in this Satsang..

"Main balihari Satguru Tere..Guruji aaye sadde वेहड़े..saare janama toh jee rahiyaan adhooriyaan..meriyaan te sadara hoi aaj pooriyaan..   Beyant Shukrane Guruji  

**Guruji's bracelets/Swaroops have so much powers !!!!**

My exams were coming..and i was talking to Guruji..Guruji Your bracelet has so much powers...and Guruji's bracelet which i was wearing was changing its swaroops..literally..in my dream..believe me..I mean How Guruji gives His stamp of Approval 

**Guruji..is the powerhouse of love...How He loves us..is beyond amazing..it is flawless...All He wants us to be happy and to live and love our life...and most importantly to love Him..He just wants our love.. and wants us to be happy ..positive and to lead a cheerful life...**

**"Total surrender at His feet and let the magic begin " ...**

**Saade naina vich Guruji daa Roop vaseya..nain  
(eyes) kholan kivein**

One day I was singing this song..and guess what happened!!! GURUJI gave me Darshan in my eyes..Jai Jai Guruji 

In my dream , I was standing in front of the mirror and I could literally see Guruji in my eyes..

Thankyou Guruji 

**Guruji has His own ways to bless..He actually blessed my eye..which is another satsang..i would share in the next part of the book...**

**Teri rehmaton ka kaise karu bakhana...Shukrana  
Tera Shukrana **

## Phoolan vaali paalki ich Mere Guruji aaye ne

In November '18 Guruji gave me darshan in paalki.....in my dream...Guruji's paalki was crossing through my home...there was a big Swaroop of Guruji ..He was in His majestic white Chola..and one Sardarni aunty said to me.(jaise hi main apne ghar ke neeche aati hun..to see the paalki)... "Parshaade lae aayin..." and i said.." main aa rii haan lekar " ..now when i woke up..i didn't even know..that there is any paalki concept of Guruji..Now....How Guruji answers. Just then...I opened Facebook..and....I saw a paalki photo only of Guruji ...Guruji was in His beautiful paalki .....Jai Jai Guruji 🦋🦋

## Guruji's blessings on this Book

This Swaroop was given to me on the very first day when I started writing this book..Shukrana Guruji 

One Sangat aunty (Madhu Madan aunty who has written "Mahima of My Guruji") from UK asked me.."are you writing a book " and believe me !!! I started taking the book seriously..because i was not getting the kick earlier to write the book..

Guruji has been asking me to write a book..since His bday 2020..Right at 12 am..7 July 2020..it was only Guruji and me..I was wishing Him Happy bday...and He asked me to write a book ...it was such a strong telepathy that I got goosebumps...

The book was started on 21/01/2021...which was such a big date..Guruji's plans are amazing...

I mean i just started the book not knowing that it's a big date...when i opened Facebook...the

first thing in Guruji's group which was written " it is 21st date..21st year..of 21st century so ..21 times Jai Guruji "..Isn't it so beautiful..Shukrana Guruji....

Honestly..Guruji Himself Has written this book since He was so so present with me all the time when I was writing this book..

When I was about to release the cover page on Mahashivratri...I said.."Guruji..kar de naa release fir.." itne mein hi.. Zor ki chandan ki khushboo aane lag gyi "...these fragrances are of Our Guruji !!

Written in Guru Granth Sahib Ji 🙏

"Whatever is to be done, the Lord is doing. No one else can do anything "

"The kirtan of the Lord's Praise is my life's Occupation "
